VIRTUAL

LEADERSHIP LEARNING SERIES

November 26, 2024

You are Not Alone!

In this session, participants will explore supports available to school leaders as they navigate the complexities of their roles. Whether you are a new principal or an experienced leader, you'll learn about resources that will bolster your professional growth, foster your well-being, and enhance your leadership capacity.

January 14, 2025

A Small Peak at Big Ideas!

Join us for an insightful session where school leaders will delve into the latest and most influential educational concepts shaping schools today. Participants will explore key trends in education. This session offers a chance to reflect on how these big ideas can be adapted to meet the needs of your school community.

March 18, 2025

Leading the Team!

In this virtual session, aspiring and current school principals will explore essential strategies for effectively leading and motivating school teams. Participants will learn how to build a collaborative culture, foster trust, and guide their staff toward shared goals.
